

# River Song Foundation

## OVERVIEW

River Song Foundation offers a wide array of assistance for animal caretakers and others concerned with animal welfare. We work closely with low income, elderly, homeless and the disabled to provide care for pets, by providing pet food, vet care, and other items as necessary. We help people find low cost spay and neuter. We help people find the resources they need to be able to keep their animals and provide quality care for them, and mostly to understand why it is so important.

We offer information on compassionate consuming, and help people get help for abused or neglected animals they come across.

We have a TNR program, which has significantly reduced homeless cat populations in many areas in our county. We work with a network of rescues and shelters to place both feral cats and pets that otherwise would have no options. We rescue hundreds of animals each year that fall through the cracks, such as cats, rabbits, goats, pigs birds, and ferrets. We speak, work, and act on behalf of animals.

## DONATIONS

River Song Foundation is a nonprofit corporation supported by contributions from people like you. Your donation will help us provide support and guidance to animal caretakers to help lessen the number of abandoned and relinquished animals as well as help us implement an aggressive spay/neuter program. Your contribution is tax-deductible to the extent allowed by law and is appreciated by us and all the animals we help. Matching funds double your gift! If your employer matches donations to 501(c)3 organizations, your gift will go twice as far. Just send us a matching funds form along with your check and we will file the paperwork with your employer.

Make a planned gift with a bequest of cash, stocks, bonds, personal property, life insurance or real estate.

Honor and celebrate the special people, animals and events in your life by making a memorial of gift donation to River Song Foundation.

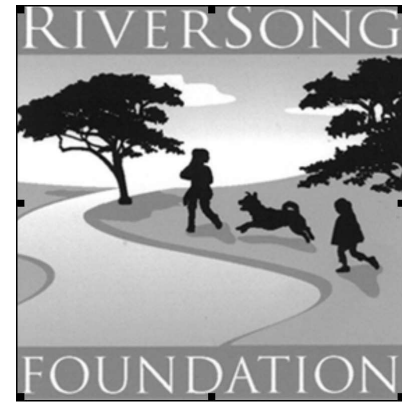

Make your donation directly to any Bank of the Pacific branch or contact us.

## VOLUNTEER

- Assisting with Adoption Events
- Fundraising
- Fostering dogs, cats, and horses
- Provide training / grooming help for clients
- Packaging pet food
- Picking up pet food donations
- and so much more!

## Mission Statement:

River Song Foundation is a nonprofit corporation organized and operation as a 501(c)3 foundation formed by a small group of animal lovers who want to promote and foster responsible animal stewardship by offering services, support, and education. We hope to connect people with the resources they need to be better pet parents, compassionate consumers, and effective advocates for animals.

## Vision/Goals:

By advocating, educating, and assisting, we hope to help elevate the status of animals in our society, and to see a significant reduction in their mistreatment and exploitation.
