

Angels For Sara Sanctuary

PROGRAM OVERVIEW

Angels For Sara Sanctuary provides medical, dental, prescriptions, food, treats, toys, bedding, cleaning supplies, grooming and infrastructure costs for senior dogs.

We rely on the help of volunteers to work with the senior dogs, take them for walks, play with them, groom them and just love them.

We rely on the help of volunteers to maintain the sanctuary grounds and home.

We are thankful for the wonderful people that sponsor to help cover the costs for the care of the senior dogs.

Angels For Sara Sanctuary is committed to the education of end of life and care for senior dogs.

Angels For Sara Sanctuary relies 100% on donations and fundraising.

We have our annual fundraiser with all proceeds going back to the sanctuary.

Since our inception in October 2013, Angels For Sara Sanctuary has cared for senior dogs.

Our goal is to recruit more foster volunteers so we may help more senior dogs by providing loving foster homes and families.
