

Clatsop CASA Program, Inc.

PROGRAM OVERVIEW

Clatsop CASA Program provides trained volunteers to speak for the best interest of abused and neglected children in Clatsop County. Our volunteers advocate for over 100 children every year. These children, due to no fault of their own, find themselves in foster care. Every one of them deserves a safe, loving home. We train and support our volunteers to provide quality representation for children to achieve that goal.

VOLUNTEER

Our volunteers come from all walks of life. They have one thing in common: they care about the kids in our community. Give us a call to find out how you can become a CASA!

DONATIONS AND EVENTS

We can receive donations year round by cash, check, or through our website's PayPal button. Find us at www.clatsopcasa.org. Join us at our annual CASA Celebration at the BridgeWater Bistro in Astoria (March).
