

# Manager: Contract will be voted on when agreement is reached

a special meeting Wednesday. "We had highly qualified candidates."

St. Denis is a manager at the Development Planning & Financing Group, a private development company in Tampa.

During a community forum Monday, St. Denis highlighted his experience with emergency management after Hurricane Charley hit his region.

In an executive session Wednesday morning, city councilors considered feedback from staff and department heads, as well as comments from two panels comprised of community leaders and regional government officials.

City councilors also considered comments and evaluations made by dozens of people

who came to the public forum Monday night, who asked the finalists questions about community engagement, tourism and emergency preparedness.

"We took many factors into account. We had two very qualified candidates, and it was a very difficult decision," City Councilor George Vetter said.

"And so the community knows, if something is to happen, our second choice is equally as impressive," Steidel added.

The city is in contract negotiations with St. Denis. When an agreement is reached, the contract will be voted on in a public meeting.

St. Denis would replace Brant Kucera, who stepped down earlier this year to take the city manager position in Sisters.
