The Nehalem Bay Garden Club hosts its plant and flower sale

Garden Club accepting proposals for gift program

NEHALEM — The Nehalem Bay Garden Club will be accepting proposals for its 2018 gift program through Monday, Dec. 11.

Proposals should be submitted to the Club (PO Box 261, Wheeler, OR 97147) or emailed to Terri Maragos at

helidoni@nehalemnet.net.

They should be one page or shorter and should align with the Club's mission: to cultivate the knowledge and love of gardening through educational programs and activities, to aid in the protection of the environment, native

plants and wildlife, and to support public service through garden-related organizations and volunteer opportunities.

Proposals should include the amount needed, specific use and benefit to the organization or public. Gifts are usually \$500 or less, but larger ones can be considered if sufficient funds are available. Funds will be ready for distribution by the end of December.

This gift program is supported by the Club's plant sale in May. The Club is now in its 68th year. They meet at 1:30 p.m. the fourth Tuesday of the month, usually at Calvary Bible Church (560 Laneda Ave.).

Meetings offer a variety of activities, including speakers, demonstrations, videos and potlucks. Additional activities include garden tours, nursery tours, workshops and special speakers. Visitors are always welcome.

For more information, contact John Benson at bensonsbend@gmail.com or 503-738-5925, or Constance Shimek at constance@nehalemnet.net or 503-936-1511.

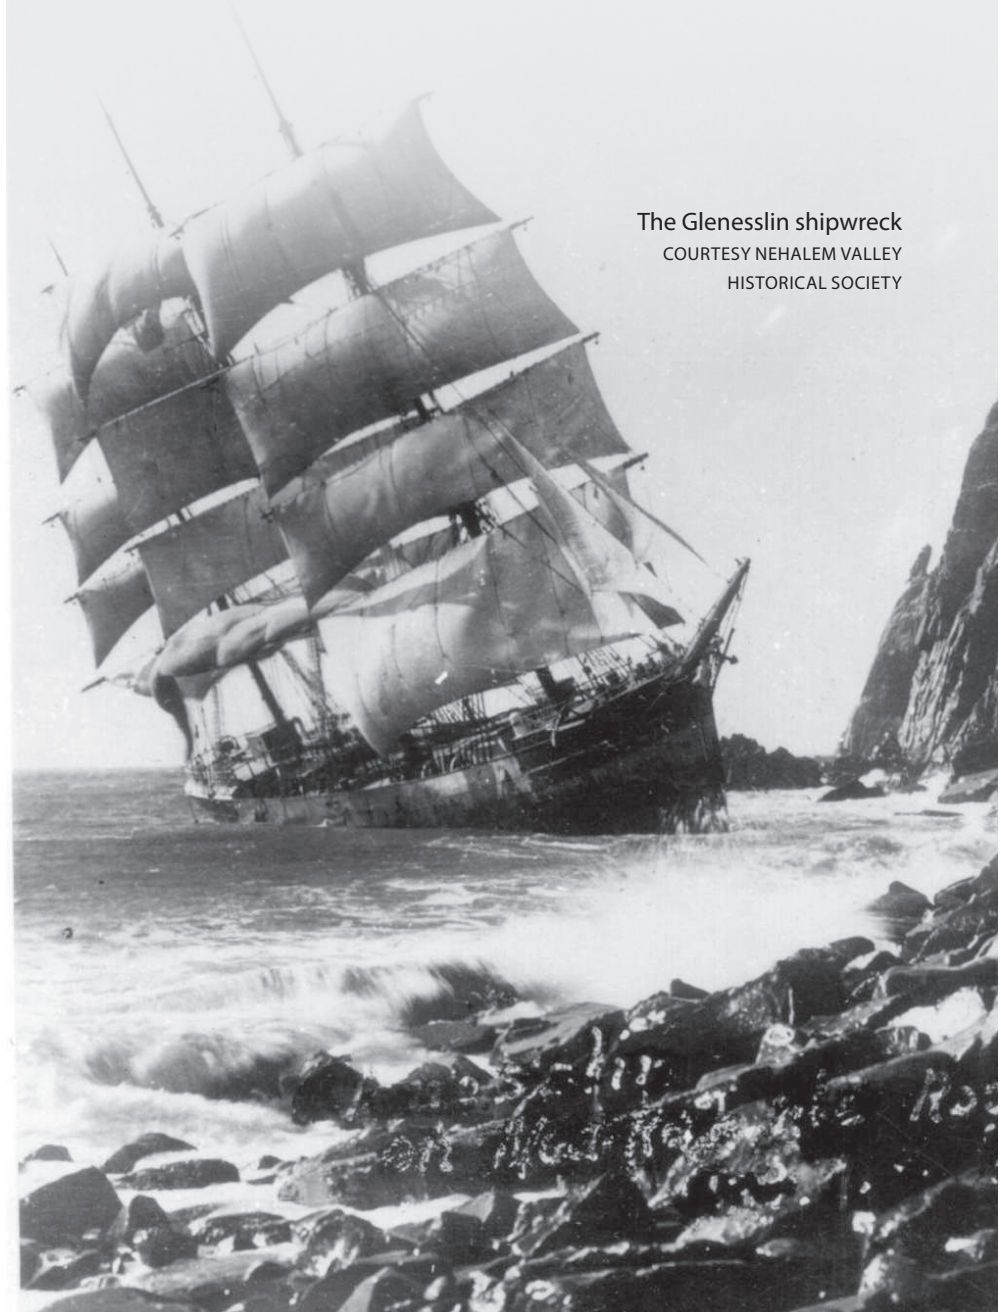

Celebrate 30 years of Nehalem Valley Historical Society

MANZANITA — All interested citizens of the North Coast community are invited to the Nehalem Valley Historical Society's annual meeting 3 p.m. Saturday, Nov. 18, at the Pine Grove (225 Laneda Ave.). This meeting will mark the 30th anniversary of the Society's founding.

We are making dramatic changes in our exhibit space and have ag-

gressive plans for the future. Four new board members will assist in our plans.

We will also have an update on the restoration and beautification of the Nehalem American Legion Cemetery. The program will include a tour of the improved Historical Society exhibit space with anniversary cake and beverage.
