As anyone who's seen their ubiquitous flyers, read or heard their "Pet of the Week" selections, or attended one of their adoption events can tell you, Clatsop Animal Assistance is the best friend a homeless pet could have. Thanks to their volunteers, the organization has helped place the 180 dogs and 246 cats successfully adopted from the county shelter in the past year.

The Clatsop Animal Assistance Annual Holiday Party and Fundraiser includes The Doggie Cake — a turkey version of carrot cake topped with mashed potato icing — for some lucky canine.
