

Ilwaco High School Music Program

PROGRAM OVERVIEW

Ocean Beach School District strongly supports the arts. All students, kindergarten to eighth grade, have music or visual arts classes every day. High School students have the opportunity to take Jazz Band, Concert Band and Choir as curricular classes. Along with the courses, Ilwaco offers Drama, Marching Band, and Pep Band.

The music program has grown exponentially over the years with the support of the school district and organizations like the Water Music Society. Every student is supplied with an instrument if needed and supplies to perform (reeds, sticks, concert attire). This program would not be as successful without volunteers of parents, community members and staff. The financial help of the Ilwaco Music Booster Association, Ocean Beach Education Foundation, Templin Foundation, Music Matters, and Water Music Society makes the musical dreams of the students come true.

Mission Statement:

Ilwaco High School Music Program's mission is to provide the Long Beach Peninsula students a well-rounded music education attainable by all. Each year the students have the opportunity to see world renowned musicians, visit college campuses, participate in adjudicated competitions, and travel to premiere performance venues.
