

# South Pacific County Community Foundation

**South Pacific County  
Community Foundation**  
P.O. Box 75, Nahcotta WA 98637

**Mission Statement:**

Demonstrating innovative leadership in philanthropy and fostering a dynamic community

**Vision:**

To be a leader in our community through donor services, grants, scholarships, and initiatives to address community needs

**Goals:**

Give, Grant and Grow  
Thriving communities are intentional—they do not happen by accident. A vital part of this is a culture of philanthropy: where making donations is straightforward, where investments are well managed, and where a variety of organizations work to support all sectors of our community.

The community foundation works in the intersection between donor gifts, capital management and local organizations to help build our community.

Community Foundation**

**PROGRAM OVERVIEW**

- The foundation supports a culture of philanthropy in south county and the region, through endowments and other funds that make grants to eligible organizations.
- Funds include endowments, capital campaigns, donor-advised funds, area-of-interest funds, and college scholarships.
- Eligible organizations include: Agencies, local governments, schools, libraries, fire departments, hospitals and nonprofit organizations—any not for profit organization.
- Giving opportunities include: annual gifts, designated gifts, planned gifts, capital gifts, endowment gifts and corporate gifts.
- We help build a culture of philanthropy in our community, including hosting classes on nonprofit leadership, management and finances.
- Investments use “prudent person” investment policies.
- Volunteers: The community foundation is an all-volunteer organization with a working board. We are looking for volunteers for committees and events.
