Ring Hardwired Outdoor Security Camera With Floodlight

Motion activated security camera with floodlights. Features a siren alarm and 2-way audio so the user can see, hear, and speak to anyone within range of the camera. Also features object and facial detection and 270 degree field of view. Detects motion around corners and in blind spots. Easily replaces existing wired floodlights and connects to standard junction boxes. With the Ring app (the user can flash the lights, sound the alarm, and zoom in to focus on important areas. The camera sends instant alerts to a smartphone, tablet, or PC whenever it detects motion. Create a customized schedule using the Ring app for lights to turn on and off, including dusk to dawn. Siren with remote activation produces a 110 decibel alarm. Adjustable mount, smart zoom with panning. Weather resistant with bank grade encryption. 1 year warranty on parts, lifetime purchase protection. SKU 502116 Black SKU 502113 White
