Notice of Application and Pending Planning Department Decision

The Seaside Planning Department has received the following request:

18-017SR: A request by David Hutt for a setback reduction at 771 Avenue P (6 10 21DD TL: 6500). The property is zoned Residential Commercial (R-C) and the existing dwelling does not meet current setbacks. This request will allow the roof to be converted from a flat roof to a pitched roof with a gable end truss; effectively raising the height of the building in an area it does not meet current setbacks. Although the setback reduction will cover the vertical expansion of the roof, a variance (18-018V) is also being requested in order to allow a conventional eye overhang in conjunction with the modification of the roof.

The review will be conducted in accordance with Article 5, 7, and 10 of the Seaside Zoning Ordinance, which establishes the review criteria and procedures for a setback reduction and variance.

18-022SR: A request by Susan Elices for a setback reduction at **418 N Jackson** (6 10 16DD TL13000). The property is zoned Medium Density Residential (R-2). This request will allow the applicant to construct an addition to the west side of the existing residence that will follow the existing building line and eliminate the porch/entryway on the east side of the home that extends across the property line. A new covered entryway will be added north of the home, and although it will not meet the front yard setback, it will not project further than the existing front wall on the east side of the house.

The review will be conducted in accordance with Article 5 and Article 10 of the Seaside Zoning Ordinance, which establishes the review criteria and procedures for a Setback Reduction.

18-026V: A variance request by **Annette Pritchett** in conjunction with the applicant's current request to allow a two bedroom vacation rental (17-012VRD) at 383 Beach Drive (T6-R10- S21AC-TL10803). The current parking takes up more than 50% of the required front yard and the applicant wants to maintain the two side by side parking spaces to meet the parking requirements for the vacation rental. The applicant is not planning to alter the current parking but she will need to provide two 9' X 18' off-street parking spaces. The property is currently zoned Resort Residential (R-R).

The review will be conducted in accordance with Article 7 and Article 10 of the Seaside Zoning Ordinance which establishes the review criteria and procedures for a Variance.

A copy of the applications, applicable criteria, documents, and evidence relied upon by the applicants are available for review at no charge. These materials can be reviewed at the Community Development Department, 1387 Avenue U in Seaside. Copies of these materials will be provided at a reasonable cost.

All interested persons are invited to submit written testimony in favor or in opposition to the request. Written testimony submitted by 9:00 a.m., **Tuesday April 3, 2018**, will be considered by the Planning Director in rendering a decision on the application. Comments received after this date will not be considered. Comments may be delivered to the Community Development Department located at 1387 Avenue U or mailed to 989 Broadway, Seaside, Oregon 97138. Failure to raise an issue in writing, or failure to provide sufficient specificity to allow the Planning Director the opportunity to respond to the issue may preclude appeal to the Planning Commission based on that issue. For more information, contact Seaside Planning Director, Kevin Cupples at (503) 738-7100
