A Coastal Lock-n-Key L.L.C. 

Michael Long, Owner of A Coastal Lock-n-Key, has proudly been serving Clatsop Countys locksmithing needs for the past 19 years. Moved here in 1980, Mike's a "local" boy that graduated from Astoria High School and then served in the United States Navy. After getting out of the Navy, he learned the locksmith trade while working at Hauers Cyclery & Locksmith. After closing their doors, Michael opened A Coastal Lock-n-Key, the only family run and locally owned locksmith shop in Astoria. "I take pride in the quality of my work and I am dedicated to meet all your locksmith needs. I make and replace high security car keys and also perform ignition work."
