began in 2009 and is a program for kids grades K – 12. We provide workshops about how to create, market and sell at the Market. We've had a great partnership with Clatsop County 4-H. To learn more call 503-325-1010 or email AstoriaSunayMarket@charter.net

Members of the Young Entrepreneurs Club

are selling their products at the Market Biz Kidz tent starting in mid-June at the Astoria Sunday Market. The Market Biz Kidz create, invent or grow their products for sale at the Market. We have a very creative team of Young Entrepreneur's this year! Stop by and see what they're selling.

Small Grants Program

Thanks to Recology Western Oregon there is a small grants program for Young Entrepreneur's. Grants range in size from \$25 to \$100. Grant applications and guidelines are available online. The deadline for submission is October 19, 2016. A Young Entrepreneur must vend at least five times to qualify for the grant.

New Tents!

Thanks to Jeremy Mills State Farm we now have two fabulous new tents with bright red awnings. He has also helped us make new connections that are enabling Seaside kids to participate in Seaside's Wednesday Market.
