

# GET A FIX ON REPAIR CAFE

ASTORIA — Bring your broken stuff to Repair Cafe at Fort George Brewery's Lovell Showroom 6 to 8 p.m. Wednesday, May 30. The Taproom will be open and serving food and drinks.

Repair Cafe is dedicated to bringing people with broken stuff together with people who know how to fix it. Help us create a community around skill sharing, repair and waste reduction.

Come to watch and learn, or just to let us fix your items.

Our "fixers" can repair, sharpen, sew or give expert advice on most items: bicy-

cles, garden tools, scissors, clothing, computers, furniture, power tools, household appliances — pretty much anything you can carry through the door. (No gas engines.)

Help us with our goal to keep 2,000 pounds of broken items from entering our local landfill. We have scales to weigh your items and will keep a running tally for each month's efforts to reach that goal.

The Fort George Lovell Showroom is located at Duane and 14th streets.
