

RICKENBACH
CONSTRUCTION
INCORPORATED

Doing restorations, seismic and other upgrades and remodeling in Astoria for **over fifty years** has given our company comprehensive experience in all types of construction.

Rickenbach Construction will effectively meet the challenge of keeping *historical authenticity*, *assuring weather protection* and *structural stability*, and maximizing the changing functionality of buildings in our community.

Projects completed in three Northwest Oregon Counties and Southwest Washington include numerous new buildings, additions, remodels, and restorations.

Contact us today for all your restoration needs!
