

CW CLATSOP WORKS

— THANK YOU! —

The 2018 Clatsop WORKS Program would like to thank our academic partners, our applicants, and our host employers for participating in this summer's paid internship program. Thanks to your support, we will have over 20 paid internships this summer, allowing our local businesses and organizations to showcase opportunities and giving our talented Clatsop County Students a chance to shine!

For more information about the Clatsop WORKS Program, please call Anna Stamper at 503-338-2507 or email astamper@clatsopcc.edu
