Water Park Fun!

Water parks are great fun in the summertime. Thrilling, twisty water slides, relaxing lazy rivers and spraying fountains that drench you in cool water make for the perfect place to spend a summer vacation day.

But you need to be careful so you don't get too much sun! Too much sun can cause a painful burn and even increase your chances of skin cancer.

Protect Your Skin!

Replace the missing vowels to discover how to protect your skin from burning at a water park.
