America's Independence Day

Too Bad, King George!

On July 4, 1776, people living in the American Colonies declared their independence. They wanted to be independent, or free, from the rules of King George III of England. They wanted to form their own country.

They wrote a document to send to King George. It was called the Declaration of Independence, written on July 4, 1776. This famous document says that all people are created equal and with certain rights.

Unscramble the words to discover the rights mentioned in the Declaration of Independence.
