FOR COAST WEEKEND

It's time to batsuit up! Versus Comic Con is coming to the Seaside Civic & Convention Center on Saturday and Sunday, July 21 and 22.

Fandom will descend upon the North Coast with special appearances by actors

from "Mighty Morphin Power Rangers," "Ultimate Spider-Man," "The Walking Dead" and so much more.

The panels, appearances and performances at VSCC range from entertaining to educational — there's sure to be something for everyone, no matter what genre floats your boat: anime, horror, sci-fi.

There's a filmmaking presentation by Hellbender Media, a talk with "RWBY" voice actors Jen Brown and Samantha Ireland, and a behind-the-scenes animation discussion with Emmy award-winning artist Keith Tucker, who worked on "Animaniacs."
