## We Three

2:30 pm, Saturday, Aug. 4  
CENTER STAGE

If there is such a thing as a "Musical Gene" then there are three siblings from McMinnville, Oregon that are living proof that it exists.

Joshua, Bethany and Manny make up the Humlie trio, who have aptly named themselves "WE THREE." They have a bond that could only be forged in the fires of strong love.

Mom taught them to breathe; Dad taught them to play instruments.

Their self-written songs cover all the strands of emotion, from melancholic to the motivated, and the mountains of love that beg to be celebrated that lie in between.
