Deborah BOONE

State Representative
HD 32, Democrat

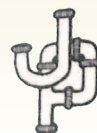

WORKING HARD FOR
OREGON FAMILIES AND
BUSINESSES SINCE 2004

I started in public service as a volunteer for several political and issues campaigns when I was in college in the 1960s and 70s, including the Equal Rights Amendment. In 1974 I moved to Clatsop County where I served on several local boards and commissions including the Union Health District (Seaside Hospital board), Clatsop Soil & Water Conservation District, HeadStart Policy Council, and I was the coordinator for the Necanicum Watershed Council for 6 years. In addition, I worked on Congressman AuCoin's Clatsop County campaigns for several terms as well as the campaigns for our local Democrats. Then in 1986 when a seat came up on the Clatsop County Commission I ran for and won it.

In 1986 the county changed its form of government to Home Rule and my commission seat became an unpaid position. I served for two years before going to Salem to work as Sen. Dukes' assistant which became the first of my 16 years as a Legislative Assistant to seven different legislators. In August of 2004 I was appointed to fill out the unexpired term of Rep. Elaine Hopson. I won the seat in the November 2004 election and have served for seven terms representing House District 32 since 2004.

This is my final term, and I thank everyone for the privilege of representing them in the Oregon House of Representatives.

J.P. PLUMBING CO. INC.

155 11th Street
Astoria, Oregon 97103
(503) 325-2830 • FAX (503) 325-7726

Founded on Feb. 14th 1986 by Jim Forrester & Paul Larson J.P. Plumbing Co. offers expertise in commercial, Industrial & residential construction and service work. Since Paul's retirement earlier this year Jim has taken control of the company and will carry on the long standard of professional quality work from the complex

plumbing of Pacific Coast Seafood's to the efficient installation of a water heater. J.P. Plumbing's team of highly trained professionals prove that no job is too large, or small.

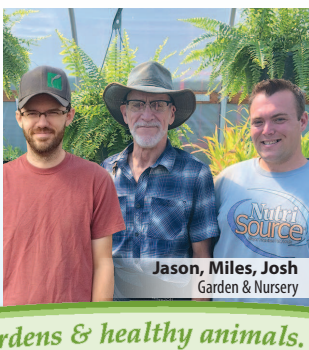

J.P. Plumbing offers a handsome showroom and warehouse that exhibits and retails all major brand plumbing fixtures and material for the do-it-yourself home project.
