BRIDGEwater
BISTRO

Located in a historic cannery boatyard building, the Bridgewater Bistro offers fine and casual dining with spectacular river views. The restaurant offers "locavore" cuisine: fish and shellfish from local waters, regionally-sourced natural poultry and meats, vegetables and fruits from area farmers and a vegetable/herb garden outside their kitchen.

Homespun Quilts & Yarn

Family owned Homespun Quilts & Yarn celebrates its thirteenth birthday on September 5, 2018. Our shop started with a focus on quilters with 100% cotton quilting fabric, patterns, notions, and books. We recently expanded and welcome the yarn community with a selection of yarns from lace to worsted, along with needles, hooks, and counters. We are the North Coast's exclusive Bernina Sewing Machine Dealer and also repair all brands of sewing machines and sergers.
