The Daily Astorian's WhosWho

THE NORTH COAST'S BUSINESS GUIDE 2018

Welcome to the 2018 edition of Who's Who — one of our most popular annual special editions. Every year, we salute the businesses who power the economy on the North Coast, and the employees who make those businesses successful.

We are very proud to feature five businesses on the cover this year that were randomly chosen, but represent both large and small employers, retail and service. They're a great example of the wide variety of business that provide employment, goods and services that contribute to the our quality of life in Clatsop County.

We also celebrate our local businesses with a gold seal in each advertisement signifying their number of years of operation. Enjoy perusing the the history and longevity of your business community.
