This third generation family shoe business was founded in 1892 by Sven Gimre, later passed on to Kermit and now presently owned by Pete. Gimre's shoes has been in its current location since 1923 and is the oldest, family owned shoe store on the West Coast and the 7th oldest in the country.

Since 1945, LEKTRO has pioneered electric vehicle innovation. From our factory in Warrenton, we have produced the world's first electric mink feeder, electric golf cart and electric towbarless tugs for moving aircraft.

Today LEKTRO is the world's #1 producer of electric aircraft tugs and has delivered over 5,000 units to over 93 countries.

LEKTRO is proud to celebrate our 73rd year as a second generation manufacturing company in Clatsop County.
