

# CANNON BEACH BAKERY

HOME OF THE ORIGINAL HAYSTACK BREAD™

• EST 1936 •

The historic Cannon Beach Bakery was founded by John McRoberts in 1936 and has long since become a tradition for families far and wide.

As of April 2018, Gilbert "Gib" & Deanna Hammond are the new owners of the Bakery and are committed to honoring the traditions of the families of bakers who preceded them. It is through caring and commitment, their passion for authentic baking, use of local vendors and community involvement that they are inspired to continue this tradition.

Gib brings the community 30 years of baking excellence. He was previously the Master Baker for Bob's Red Mill and the Bakery/Pastry Manager for New Seasons Markets. Deanna's expertise is in Finance, Marketing and Business Management. The pair are dedicated to contributing to their community and are excited to extend that dedication to Cannon Beach and the North Oregon Coast.

The Bakery continues to offer all the favorites from decades past. Haystack Bread, Almond Poppy Seed Muffins, Apple Cider Doughnuts, Sailor Jacks... the list goes on.

The Hammond's are also adding a few delectable items of their own, including an artisan bread program. All offerings are handcrafted and baked fresh, daily, onsite.

Iconic items sell out fast, they would like to encourage you to place orders in advance, so you are able to enjoy your favorite treats.

Quality Products & Excellent Customer Service For 74 Years!

In 1944 Axel Englund founded Englund Marine Supply, a 50x50 foot store catering to the needs of local fishermen. Over the next 74 years, we've added "Industrial" to our name and opened stores in Westport, WA., Ilwaco, WA., Newport, OR., Charleston, OR., Crescent City CA. and Eureka, CA. and launched our online retail store.

Throughout the years, no matter how we've grown, we carry on the tradition Axel started 74 years ago: "Quality merchandise and great service." We are looking forward to continuing to serve our community for many years to come!
