Phil Krug of Portland and Tucker Wachsmuth dragged Krug's Laser toward the Willapa Bay shoreline just before the start of the regatta. A Laser is a one-man sailboat approximately 12 to 14 feet in length and weighing more than 130 pounds.

A competitor capsized early in the race on Saturday. Winds gusted to over 20 mph throughout the regatta, making conditions challenging all afternoon.

Regatta competitors hoisted their sails to make sure that everything was working before entering the water.
