

# Camp Victory

## PROGRAM OVERVIEW

For 30 years Camp Victory has been creating residential healing camps for children from rural western Washington who are survivors of sexual abuse. We are 125+ volunteers strong, working together with donors to make magic for kids ages 5-21 from Pacific, Grays Harbor, and Mason Counties by providing overnight camps, special events, and therapy.

## PURPOSES

- To sponsor residential camps for the gathering and nurturing of children who are survivors of sexual abuse.
- To provide ongoing activities and support services for children who are survivors of sexual abuse.
- To educate the community about the issues of childhood sexual abuse and the needs of survivors.
- To support additional programs addressing issues of sexual abuse for youth and adults.
- To provide opportunities for volunteer involvement.

## HOW TO GET INVOLVED

Anyone can make referrals for a child to come to camp. New camper criteria: girls ages 5-18 and boys ages 7-18 from Pacific, Grays Harbor, or Mason County, who are survivors of sexual abuse. Complete the application available on our website at [www.campvictory.us](http://www.campvictory.us). All costs are covered through generous donations from individuals, businesses, and grants.

Volunteers are needed as camp staff including cabin buddies, programming team (crafts, archery, games) and kitchen crew. Volunteers must submit an application, have a clean background check, and complete a weekend training from March 16-17, 2019. Following training, vetted volunteers may participate in camp – boys camp in May and girls camp in June.

## WE TELL CHILDREN:

- What happened to you was not your fault
- You are not alone
- We believe you
- You are brave and strong

## FUNDING

Every dollar donated to Camp Victory goes directly to provide camp, programs, and therapy for child survivors of sexual abuse from the community. Children and their families do not pay for Camp Victory events or camp.
