**Oregon state law** requires anyone who contracts for construction work to be licensed with the Construction Contractors Board. An active license means the contractor is bonded and insured. **Verify the contractor's CCB license through the CCB Consumer Website [www.hirelicensedcontractors.com](http://www.hirelicensedcontractors.com)**

**NOTICE:** Oregon Landscape Contractors Law (ORS 671) requires all businesses that advertise landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number assures the business has a bond, insurance and an associated individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call (503)378-5909 or use our web site: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check license status before contracting with the business. Persons doing landscape maintenance do not require a LCB license.
