The General Fund level of services is provided by a permanent tax rate. \$570,000 in property tax revenue is estimated for an increase of about 1.6% compared to the 2018-19 budget. The 2019-2020 operating budget is approximately \$1.98 million, or about 0.45% more than the current year's budget. The conservative increase is appropriate due to the anticipated amount of building and an improvement in home assessed value. Personnel requirements will increase due to a 2.4% COLA adjustment in January and employee step increases. The City's General Fund tax rate is permanent at \$1.0053 per one thousand dollars of assessed value, and the Road District remains \$0.0602 per one thousand dollars of assessed value.
