

LIGHTS ON!

APRIL 15 AT 9PM

The Friends of the Astoria Column recently completed a new energy-efficient LED lighting system for the Column. On Monday, April 15, weather permitting, Mayor Bruce Jones and the Astoria City Council will inaugurate the new lighting system at 9pm. From dusk to dawn and hereafter on the hour, there will be a 3-minute light show all night, with a range of over 16 million color combinations!

While parking is limited at the Column, anyone is welcome to join us. You can also look up from wherever you are in Astoria within sightline of the Column to see the amazing new lighting.
