AB7193 Notice of Planning Commission Public Hearing

On **Tuesday, May 7, 2019** at 7:00 p.m. a public hearing will be held by the Seaside Planning Commission at Seaside City Hall, 989 Broadway, to take testimony regarding the following item:

07-041VRD Compliance Review: The Planning Commission will be conducting a compliance review of the vacation rental dwelling located at 441 16th Avenue (T6-R10-16DA-TL6202). The property is owned by Kelly Norling and it is zoned Medium Density Residential (R2). The Vacation Rental Dwelling (VRD) was originally approved in July of 2007 with a maximum occupancy of nine (9) people over the age of three. Since that time there have been numerous complaints concerning the VRD's compliance with the conditions of approval. The Commission will be re-evaluating the conditional use permit to determine if the conditions of approval should be amended or if the permit should be denied.

The review will be conducted in accordance with Article 6 and Article 10 of the Seaside Zoning Ordinance which establishes the review criteria and procedures for a Conditional Use. The specific review criterion for Vacation Rental Dwellings is included in Section 6.137 of the Ordinance.

19-031VRD: A conditional use request by James Scherber for a three (3) bedroom Vacation Rental Dwelling (VRD) permit with a maximum occupancy of six (6) people over the age of three, no more than ten (10) regardless of age. The property is located at 405 8th Avenue (T6-R10-16DD-TL2900) and it is zoned Residential High Density (R3).

The review will be conducted in accordance with Article 6 and Article 10 of the Seaside Zoning Ordinance which establishes the review criteria and procedures for a Conditional Use. The specific review criterion for Vacation Rental Dwellings is included in Section 6.137 of the Ordinance.

19-022CU: A conditional use request by LA-4 LLC that will allow the establishment of two townhome style 4-plex unit apartments. The property is located at 615 S Holladay (T6, R10, 21AD TL: 20400) and it is zoned general commercial (C-3). The proposed development would have vehicular access from Avenue F & Avenue G and no vehicular access is proposed on S Holladay Drive.

The review will be conducted in accordance with Article 6 and Article 10 of the Seaside Zoning Ordinance that establishes the review criteria and procedures applicable to the request.

A copy of the application, applicable criteria, documents, and evidence relied upon by the applicant are available for review at no charge. Likewise, a staff report will be available for inspection 7 days prior to the hearing. These materials can be reviewed at the Community Development Department, 1387 Avenue U in Seaside. Copies of these materials will be provided at a reasonable cost.

All interested persons are invited to attend the meetings and submit oral testimony in favor or in opposition to the request. During the hearing, individuals that wish to offer testimony will be called to a microphone by the Chairman of the Planning Commission and asked to state their name and address for the record before they testify. Written testimony is also welcome and will be submitted to the Planning Commission at the time of the hearing. Comments may be delivered to the Community Development Department located at 1387 Avenue U or mailed to 989 Broadway, Seaside, Oregon 97138. A copy of the application, applicable criteria, documents, and evidence relied upon by the applicant are available for review at no charge. Likewise, a staff report will be available for inspection 7 days prior to the hearing. These materials can be reviewed at the Community Development Department. Copies of these materials will be provided at a reasonable cost.

Failure to raise an issue at the meeting, in person, or in writing, or failure to provide sufficient details to afford the Planning Commission and the applicant an opportunity to respond to the issue may preclude appeal to the Land Use Board of Appeals on that issue. For more information, contact Seaside Planning Director, Kevin Cupples at (503) 738-7100.
