MEMORY GAMES

Are you good at remembering things? Try the games on this page to test and help improve your memory and concentration skills!

WHAT'S MISSING: Look closely at each top picture. Cover it. Then try to draw what's missing on the one below it.

DRAW A WORD: One player uses their finger to 'write' a word on the back of the second player. The second player tries to identify the word. Players switch positions and take turns being the 'writer' and guesser.

Tray Memory Game

Look at the objects on the tray. Then cover the tray with a piece of paper and draw the objects you can remember on the tray on the right.

- Variation: Play at Home With Real Objects**
- Place several small items on a tray at home and have a friend or family member say the name of each object out loud to remember it.
 - Cover the tray and ask the person to try to name all the objects on the tray.
 - Start with just a few objects. Then if the person remembers them all, keep adding more and playing again.
