

BOOTHS & VENDORS

Do you like to eat? Do you like trying new foods? Do you like to find special and unique items? Do you like to get your Christmas shopping done early?

If any of the above apply to you, than you definitely need to come to the Astoria Scandinavian Midsummer Festival this year!

You will get to try some delicious and traditional Scandinavian food and find that perfect gift for someone special or something amazing for yourself.

For the savory food connoisseur we'll have Swedish meatballs cooked to perfection as well as pocket sandwiches filled with crab, salmon, or ham and cheese, or try one filled with veggies. How about a cup of clam chowder or Swedish pea soup? We have that, too! Frikadeller you ask? Yep, you'll find it here. Also on the menu are hot dogs, Polish dogs, pulled pork sandwiches and open-faced sandwiches.

For those of you with that good ol' sweet tooth, don't fret! You will have quite the assortment of goodies to choose from including freshly made aebleskivers sprinkled with powdered sugar and served with raspberry jam and the infamous lefse — no description necessary — just yummy!

What about trying some Finnish fruit soup — a dish that delights many taste buds. Another favorite treat is krumkake — a light, flakey cone-shaped cookie.

Also being served is cardamom bread. If you haven't tried this bread, you're definitely missing out.

And let's not forget chimnik — the refreshing ice cream treat.

As you can see, whether it's the savory or sweet food you want to experience, visitors to the Astoria Scandinavian Midsummer Festival will have a smorgasbord to choose from.

If you care to have a beverage of the alcoholic kind, Rolling River will sell aquavit spirits in the Arena and a Beer Garden is located outdoors in the storage building, beyond the Dairy Barn, and will sell handcrafted beverages from Astoria Brewing.

We also have an amazing assortment of Scandinavian-themed vendors this year.

There are many items to choose from including: wooden Viking weapons and shields, handmade wooden puzzles, art work, paintings, Scandinavian décor, children's and adult clothing, knick-knacks, baskets, quilling decor, jewelry, handmade Scandinavian items, rosemary, household items, handanger, pottery and so much more.

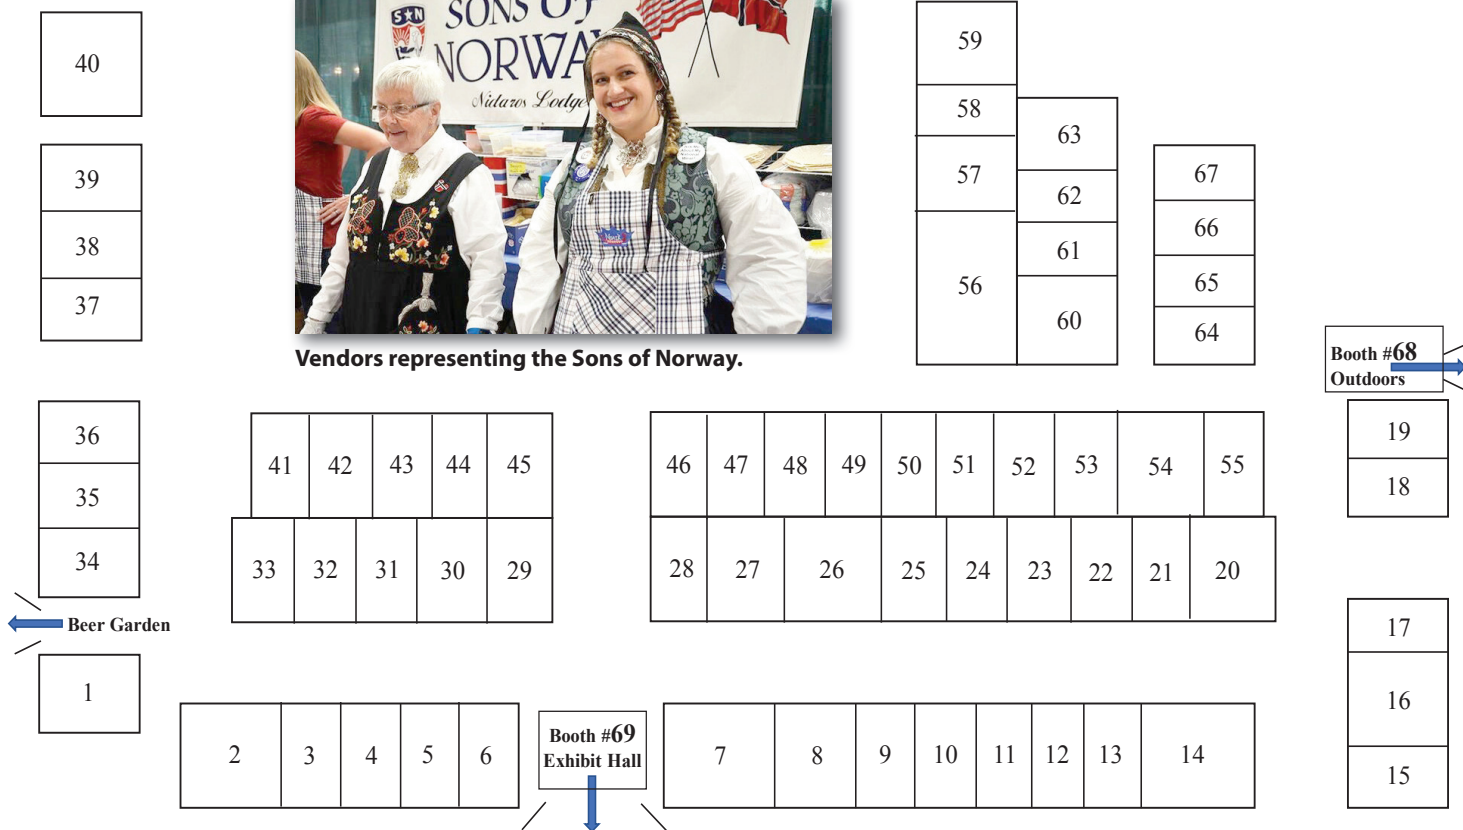

Come to the Midsummer Festival to check them out for yourself! You won't be disappointed.
