101 Legal Notices

AB7400
Notice of Measure Election & Receipt of Ballot Title
 Publish pursuant to ORS 255.085(4b)

State of Oregon)
 County of Clatsop)

Notice is hereby given that a ballot title for a measure referred by Warrenton Rural Fire Protection District has been filed with the Elections Officer of Clatsop County, Oregon on July 26, 2019. The November 5, 2019 election will be conducted by mail pursuant to ORS 254.465. An elector may file a petition for review of this ballot title in Clatsop County Circuit Court no later than 5:00 p.m. August 6, 2019 pursuant to ORS 255.155.

Caption: Five-year Local Option Tax for General Operations
Question: Shall Warrenton Rural Fire Protection District impose \$56,000 each year for five years for general operations beginning 2021-2022? This measure may cause property taxes to increase more than three percent.

Summary: This measure is a new local option tax that will replace an existing local option tax that will expire at the end of Fiscal Year 2020-21. The maximum taxes needed for five years total \$280,000, which will be imposed in equal amounts of \$56,000 each year. It may not be necessary to assess the full \$56,000 each year, particularly in the first few years of the local option tax. In each year, the District will assess only the amount necessary to fund its operating costs, but will not exceed \$56,000. The taxes will be used to fund the general operations of the Warrenton Rural Fire Protection District. The taxes are needed to pay for part of the costs of contractual services provided by the City of Warrenton; the District contracts with the City of Warrenton to provide fire protection and emergency medical services in the District. It is estimated that the proposed tax (maximum) will result in a rate of \$0.51 per \$1,000 of assessed value in the first year. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
