History and Hops explores nursing arts

SEASIDE – Melodie Chenevert, owner and curator of the Museum of the Lost Art of Nursing, will share nursing stories throughout the ages at the Seaside Museum's next History & Hops session at 6 p.m. Thursday, Oct. 31, at Seaside Brewing Co. This event is free.

Chenevert became a nurse more than 50 years ago and has collected memorabilia for decades. She is an accomplished author and speaker who has con-

ducted workshops in 49 states as well as Canada, England, Australia and Japan.

"One of the reasons I call this collection the Lost Art of Nursing," Chenevert said, "is because so much of what is in the museum was just thrown away."

History & Hops is a series of local history discussions hosted by the Seaside Museum on the last Thursday of each month, running September through May.
