

Restoration House

208 North Holladay Drive
Seaside, Oregon 97138
restorationhouseseseaside@gmail.com
503-470-1733

A residential facility located in Seaside, Oregon serving a population of men, 18 and older, with co-occurring disorders including substance abuse and significant psychosocial/behavioral issues. Restoration House offers a safe and stable place to live while attempting to meet the needs of this high risk, high cost population. Our vision is to form a cohesive plan of future care that supports our men holistically while reducing recidivism and assuring overall community safety.
