

Volunteer opportunities: We are always looking for volunteers who want to make a difference in their community. Most volunteers assist with stocking shelves, shopping with our clients, and picking up donations from one of our local grocery retailers. Those interested in volunteering in our organization can call our pantry and speak with about the opportunities available. Please leave us a detailed message if you don't get an answer.

Donations used for: Donations of unopened food items are always welcome and go directly to our clients. Cash donations are also gladly accepted and are used to purchase food items from our regional food bank or one of our local retailers.

Phone: 360-723-0219

Email: Wigginhomeboxerrescue@gmail.com

Website: Wigginhomeboxerrescue.org

Our mission: Wiggin Home Boxer Rescue is a non-profit, all-volunteer group of Boxer owners and lovers covering WA, OR and parts of ID and MT. WHBR knows the great need in our community for re-homing Boxers found in unfortunate situations. These dogs come from all walks of life- neglected, homeless, owner surrendered, owner illness/death and military families unable to keep their beloved dogs due to their service to our country.

We provide this needed service through donors who believe in our mission, as well as fund-raising events. We work diligently to control the Boxer population through mandatory spaying/neutering of our rescued Boxers. Additionally, we provide education on the Boxer personality and care, over-population in shelters and the many dangers of backyard breeding. Adoptive applicants are carefully screened to assure each Boxer is placed with an appropriate forever family, thus coming full circle and completing our goal.

Service area: WA, OR, ID, MT

Volunteer opportunities: Foster homes.

Donations used for: Medical care
