

DEWALT 14-PIECE PILOT POINT GENERAL PURPOSE DRILL BIT SET

Pilot Point drill bits. 135 deg. split point for no slip starting on hard materials. Starts on contact for clean and accurate holes. No-spin shank eliminates the bit spinning in the chuck. Tapered web provides greater durability to reduce breaking. Size markings above the shank to prevent wearing away. Gold ferrous oxide to reduce heat dissipation and for higher performance when drilling in metal, wood, or plastic. Jobbers length.

WEATHERTECH FLOORLINERS

Accurately and completely lines the interior carpet giving "absolute interior protection"! The WeatherTech FloorLiner lines the interior carpet up the front, back and even up the sides of the vehicle's footwell. Digital laser measurements of interior surfaces offer a consistently perfect fit. A patented High-Density Tri-Extruded (HDTE) material allows for a rigid core for strength while offering surface friction to the carpet, as well as tactile feel to the surface! Molded surfacing creates channels that carry fluids and debris to a lower reservoir with side channeling to help minimize fluid movement while driving! Once fluids become in the reservoir, away from shoes and clothing, they are easily removed from the WeatherTech FloorLiner over the door sill.
