

“By participating in CommuniCare, I’ve realized how important nonprofits are and how beneficial it is for me to give back to my community. As a result, I plan to get a degree in nonprofit management and hope to one day have my own nonprofit!”

CAITLIN
Seaside High School

“The highlight of my three years in CommuniCare has been learning about all the different nonprofits that make my own community such an inspiring place to live. Every year, I look forward to the interview part of the grantmaking process and learning about a new nonprofit each time!”

Congratulations 2020 grantmakers!

The CommuniCare program was created 23 years ago by the late Harold and Arlene Schnitzer. Now run by Jordan Schnitzer, President of The Harold & Arlene Schnitzer CARE Foundation, CommuniCare is a year-long academic grantmaking program that gives Oregon high school students an opportunity to learn more about issues that affect their communities and to develop a commitment to social activism. Students are challenged to raise up to \$1,500 which is matched 10:1 by The CARE Foundation to donate to local nonprofits that are chosen by the students.
