 CITY OF WARRENTON
 Clatsop County, OR

REQUEST FOR PROPOSALS
Low Pressure Sewer - Grinder Pump System – Pre-Selection NOTICE OF REQUEST FOR PROPOSALS

The City of Warrenton (City) is pre-selecting a wastewater Grinder Pump system which can be installed to serve individual users for new connections as well as providing a replacement for existing failing septic systems. The grinder pump system is intended to have the capability to pump into a shared low pressure forcemain, or to pump directly into a gravity system for wastewater conveyance. The system equipment includes a grinder pump system with adequate storage capacity to allow for typical residential use without overflow or excessive pump starting and all electrical and control systems required for normal operation.

As a result of the RFP, the City will identify a single grinder pump system manufacturer and model to be specified in their Low-Pressure Sewer System Policy. This policy will require the use of the selected equipment for both future connections requiring individual sewer pumps. The procurement and installation of the pump systems will be the responsibility of the property owner.

To be eligible, interested parties must download RFP Documents, or purchase them from Engineer. Complete digital project bidding documents are available for Project #7211954 at www.civilwest.com under Current Bidding. You may download the digital plan at no cost. Please contact QuestCDN at 952-233-1632 or info@questcdn.com for assistance in free-membership registration, downloading, and working with this digital project information. An optional paper set of the RFQ is available for a nonrefundable price of \$20 which includes applicable sales tax and shipping. Please make your check payable to Civil West Engineering Services and send it 486 E Street, Coos Bay, OR 97420. Please contact us at 541-266-8601 if you have any questions.

The proposal shall provide, at a minimum, all detailed information required in the Request for Proposals (RFP) contained herein. Proposers are instructed to comply with this Request for Proposal in its entirety and provide all requested information and certifications. One (1) electronic copy of the complete Proposal shall be submitted to:

Dan Vaage, PE
 Civil West Engineering Services 213 NW Water Avenue
 Albany, OR. 97321
 (541) 982-4372
 dvaage@civilwest.net

Proposal must be received by 5:00 PM, Pacific Time on September 1st, 2020.

It is the City's intent to preselect an equipment supplier (hereinafter referred to as "Supplier") after review and evaluation of the proposals.

This Request for Proposals does not obligate the City to award a Contract, nor to proceed with the development of any project described in response to this Request for Proposals.

Any questions and/or inquiries about this RFP should be emailed to dvaage@civilwest.net. The deadline for questions is August 31st, 2020.

Dated this 21st day of July 2020.

By order of: Richard Stelzig, Public Works Director City of Warrenton

Published: The Astorian, Astoria, OR, July 21st, 28th, August 4th, 2020.
