Can you imagine a world in which women do not have the right to vote?

How long do you think women in the United States have had the right to vote? 300 years? 200 years? 150 years?

In the United States, women have had that _____ for only 100 years of the 244 years we have been a country. And getting the right to vote took _____ of protesting and writing to lawmakers – who were all men at the time.

Meeting for Women's Rights

In 1848, a group of people met in Seneca Falls, NY to talk about the _____ women faced because they didn't have the same rights as men.

The word **suffrage** means the right to vote in elections. A **suffragist** is a person who fights for suffrage.

At that time, women could not own property, they could not vote and very few could go to _____.

This meeting was the first women's rights convention in the United States. At that meeting, men and women signed a document called, "Declaration of Sentiments and Resolutions." By signing, these people agreed to the _____ of what was becoming the woman's movement.

For more than 70 years, women and men _____, wrote letters and articles, protested and picketed to get an Amendment to the Constitution which would give women the right to _____. These people were known as **suffragists**.

Victory!

On May 21, 1919, the U.S. House of Representatives finally _____ the **19th Amendment**, also known as the Susan B. Anthony Amendment, guaranteeing women the right to vote. But that was just the first _____. The U.S. Senate and at least three quarters of the states had to approve it before it would become the law of the land.

The United States Senate approved the amendment a week after the House.

On August 18, 1920, Tennessee became the _____ state needed to ratify the 19th Amendment.

One week later, on August 26, the 19th Amendment officially became part of the U.S. Constitution, forever _____ American women's right to vote.

Extra! Extra!
Should kids be able to vote?

Write a letter to the editor of this newspaper sharing your opinion about whether or not kids should be able to vote. Be sure to support your argument with some facts.

Standards Link: Writing applications.

1. Which Amendment to the U.S. Constitution gives women the right to vote?
☐ 16th ☐ 19th ☐ 21st
2. How many years have American women had the right to vote?
☐ 100 ☐ 250 ☐ 500
3. Where did the first women's rights convention take place?
☐ TENNESSEE ☐ IOWA ☐ NEW YORK

Kid Scoop Puzzler

In 1920, exactly 100 years after Susan was born, the 19th Amendment to the U.S. Constitution was passed, giving women the right to vote.

While Susan did not live to see women get the right to vote, in 1979 she became the first woman to appear on U.S. money.

Look closely to see which Susan B. Anthony dollar is different.
