TAURUS (April 20-May 20). To one who doesn't know you very well, it seems like you are all smiles and acceptance, and yet ... woe to the one who crosses you. After all, what good is a boundary that is not enforced?

GEMINI (May 21-June 21). You don't want to spend your minutes holding on to something from the past or making predictions and projections. An ultra-attractive spontaneity occurs while you stay inside of a moment and react to right now.

CANCER (June 22-July 22). You know life is miraculous; you see evidence of it all the time. Because you are looking for the wondrous beauty, you find it. Life meets you halfway, reflecting your beliefs right back to you.

LEO (July 23-Aug. 22). You needn't complicate things. Work what's working. Don't start adding new fixes to a plan that is already getting the desired result. Something can be simple and still serve complex needs.

VIRGO (Aug. 23-Sept. 22). When you're excited about what's happening and they are, too, it's a mighty fine match. There really isn't time to pursue any connections that are less than this right now.

LIBRA (Sept. 23-Oct. 23). You'll show respect through the active way you listen. You'll get the verbal and the nonverbal cues. You'll acknowledge the other person's perspective and

give the other person plenty of space to express.

SCORPIO (Oct. 24-Nov. 21). When you're stuck, figure out where your wiggle room is. And if you don't have enough of it to make a difference, it's because you need to let go of something.

SAGITTARIUS (Nov. 22-Dec. 21). Not a lot needs to happen for you to feel good about the day. Your effortless good vibes are so attractive. You're not faking this lighthearted honesty. Truth doesn't have to be deep.

CAPRICORN (Dec. 22-Jan. 19). Feel you're in the wrong place? Move. Your intuition is keen. It's not always convenient to follow it, but don't let that get in your way. Better to make adjustments now than ignore your wisdom.

AQUARIUS (Jan. 20-Feb. 18). Lower your expectation of early results. Your first time out with an endeavor may not bring what you're going for, but don't take that as a sign to quit. Give yourself the room to learn.

PISCES (Feb. 19-March 20). Much really does depend on you! If you can get the whole team working together for the best outcome, though, eventually you'll come to a point where success is not largely dependent on your contribution.

SUNDAY'S BIRTHDAY (Oct. 11). You've always been easy to love, but this year, you'll open your heart and time further ... and they'll seize the opportunity to cherish you. There's something you've wanted a while, and a version of it comes to hand in January. Then you'll have a decision to make. Bonus for 2021: ridiculously simple health improvement. Aries and Scorpio adore you. Your lucky numbers are: 7, 20, 18, 4 and 14.

ALL NIGHT LONG! ALL NIGHT!

WHEN WE'RE DANCING ON THE CEILING!

SAY YOU, SAY ME!

I DON'T KNOW IF I SHOULD BE HORRIFIED OR IMPRESSED BY THE DEPTH OF HIS L'ONEL RICHIE CATALOG.

The comic strip consists of four panels. In the first panel, a girl with dark hair and freckles is riding a white unicorn with a single horn. She is wearing a purple shirt and a grey backpack. A speech bubble from her says, "I'm sure everybody noticed the sky was plaid for like an hour." In the second panel, the girl is looking at the unicorn with a surprised expression. A speech bubble from her says, "Do not be so sure." In the third panel, the unicorn is speaking, its mouth open. A speech bubble from it says, "Before I turned my body over to you, I turned the *Shield of Boringness* up to its maximum, so nothing you could possibly do would attract human attention!" In the fourth panel, the girl is riding the unicorn again, looking happy and triumphant. A speech bubble from her says, "Yesssss! No consequences!" Another speech bubble from her says, "Spoken like a TRUE unicorn."

A cartoon illustration featuring two dogs, a white one and a black one, standing in a field of pumpkins. On the left, a wooden sign with two jack-o'-lantern faces on top reads "PICK A PUMPKIN". A speech bubble from the black dog says "CAN I DO A MAIL-IN VOTE?". The sun is visible in the top right corner.

OKAY, OKAY. I'VE MADE A DECISION.
