

# South Pacific County Humane Society

## PROGRAM OVERVIEW

South Pacific County Humane Society (SPCHS) is a community funded 501(c)3 nonprofit no-kill shelter. We provide compassionate care and placement for stray and surrendered cats and dogs and services to support the community in caring for their pets. Check-out the cats and dogs currently at the shelter by going to our website at [www.beachpets.com](http://www.beachpets.com).

- SPCHS finds homes for over 400 cats and dogs each year. Each cat and dog have their medical needs addressed including vaccinations, spay or neuter; as well as, safe housing, food, socialization and affectionate care until an appropriate adoptive home is found.
- SPCHS returns over 100 lost cats and dogs each year back to their family. While they are with us, we provide safe housing, food and address any urgent medical needs until they are reunited with their family.
- SPCHS assists low-income households in caring for their pets with a voucher program for low-cost spay/neuters and a pet food program.
- SPCHS supports humane management of feral/community cats through trap/neuter/return (TNR) by providing education and mentoring, trap loans for TNR, and very low-cost spay/neuter services.
- SPCHS provides licensing of pets for households in the cities of Long Beach and Ilwaco.
- SPCHS provides boarding on a limited basis as space is available.
- SPCHS provides education and support for pets in neglected situations.

## ADOPTING A CAT OR DOG:

Potential adopters can view our cats and dogs online at our website [www.beachpets.com](http://www.beachpets.com). If you see a cat or dog you would like to meet, submit an online application that is on our website. The applications are screened and then appointments are scheduled for potential adopters to meet their selected animal(s). When we receive multiple applications for the same animal, we prioritize the applications by day/time received and best fit.

## FUNDRAISING EVENTS:

2020 changed our approach to fundraising events. Our main fundraising event will be Beach Pets Treasure Hunt online auction starting April 24th and ending May 2nd. We will have our annual Garage Sale on May 29th. It will only be one day instead of three and will be held outside at our shelter annex. Our Furrballs Golf Tournament at The Peninsula Golf Course is June 6th. We will participate in Giving Tuesday on December 7th and hope to have our Santa Pics on December 4th. Other ways to donate and support the shelter can be found on our website [www.beachpets.com](http://www.beachpets.com) and click "Ways To Give".

## BUSINESS GIVING OPPORTUNITIES:

SPCHS welcomes all business giving, including memberships, cash and in-kind donations of items needed for the shelter. We are extremely appreciative of the support we receive from our community. SPCHS extends a special thank you to Lighthouse Realty for sponsoring our page in "Giving Back".

## SPONSORSHIPS:

SPCHS has many sponsorship opportunities. Memorialize a pet or special person for \$100 with a plaque displayed at the shelter. Kennel sponsorships are available for \$100 with a plaque displayed on the kennel for one year. Other sponsorships include the sponsoring of one of our pets, an adoption, a spay/neuter or making a contribution to the Homeless Pet Medical Fund at Oceanside Animal Clinic in Seaview.

## VOLUNTEER:

It is easy to become a volunteer at the South Pacific County Humane Society. Go to our website [www.beachpets.com](http://www.beachpets.com) and click on "Volunteer". Potential volunteers can look through volunteer opportunities at the shelter, read the on-line Volunteer Handbook and submit a volunteer application. Our Volunteer Coordinator contacts each person to discuss their area of interest and then connects them with the appropriate Volunteer Trainer. We have many volunteer needs – dog walkers, cat cuddlers, greeting/assisting visitors, answering phones, adoption counselors, data entry, laundry, fundraising and events and writing grants.

## South Pacific County Humane Society

P.O. Box 101  
330 Second Street NE  
Long Beach, WA 98631-0101

## Mission Statement:

To promote compassionate care, spay/neuter, and placement of cats and dogs through service and education.

### Vision:

To envision the community of South Pacific County where every cat and dog has a loving home, free of abuse and neglect.
