

# Seaside Scholarships

Opening Doors to Education

Class of 2020  
Scholarship Recipients

Seaside Scholarships is a non-profit organization formed to raise money and distribute scholarships to Seaside High School seniors. It is governed by a volunteer board of directors. Believing all students can greatly benefit by furthering their education - whether it be a vocational or trade program or attending a two or four year college or university - we strive to award scholarships to a wide variety of promising students.

Our youth is the greatest natural resource. Funding scholarships means opening doors for students, regardless of financial background and success or struggles with school.

By ensuring the education of our community's youth, we ensure our community's quality of life.

We thank you for your continued support!

You can mail donations to: Seaside Scholarships, P.O. Box 332, Seaside, OR 97138  
or donate on our website: [www.seasidescholarships.com/donate](http://www.seasidescholarships.com/donate)

For questions or assistance with donations or bequests email us at:
