

Mystery author to speak at virtual lecture

CANNON BEACH — Cannon Beach Library will host mystery author J.A. Jance at 2 p.m. Saturday at [facebook.com/cannonbeachlibrary](https://www.facebook.com/cannonbeachlibrary) and on Zoom (visit [cannonbeachlibrary.org](https://www.cannonbeachlibrary.org) for login information).

Jance will present “J.A. Jance, Her Life and Times, 2021 Edition.” She will discuss what she’s working, what’s coming next and the origins of some of her popular characters. She also will highlight her latest Joanna Brady book, “Missing and Endangered.”

Jance is a top 10 New York Times bestselling author. She lives in Seattle.

Spawning chum salmon.

Learn about chum recovery Thursday

Scott Brewer, executive director of Hood Canal Coordinating Council, will lecture about chum salmon for Lewis and Clark National Historical Park’s monthly “Nature Matters” lecture series at 7 p.m. Wednesday.

Brewer has over 30 years of experience working as a biologist, ecol-

ogist and program administrator in the Puget Sound and Hood Canal. During the lecture, he will discuss chum salmon recovery efforts and his organization’s role in salmon recovery planning.

The event will be hosted online at [facebook.com/FortGeorgeBrewery/](https://www.facebook.com/FortGeorgeBrewery/).

From protecting your car and home to preparing for your future, let’s discuss options to meet your needs.

Astoria Art Loft to host three workshops

ASTORIA — Registration is open for art workshops with Astoria Art Loft.

Two summer workshops for children ages 7 to 12 will be held. The first workshop will run June 21-26. Children will create art and learn about Native American artists of the Pacific Northwest. The workshop costs \$100.

The second workshop will run Aug. 16-21. Children will create art and learn about American artists.

A third workshop, featuring watercolorist Mick McAndrews, will be held Oct. 14-16.

To register, call 503-325-4442 or email astoriaartloft@gmail.com.

Learn about acrylics in virtual lecture

ASTORIA — Registration is open for a virtual lecture on acrylics at bit.ly/3cCeUsH.

The lecture is scheduled for 1 p.m. on May 1. Dots ‘N Doodles and Golden Artist Colors are the lecture’s hosts.

The event will guide listeners through the basics of acrylics, including information on using acrylics for painting, drawing and mixed media. Information about different colors, textures, viscosity and more will also be discussed. A variety of examples will be shown.
