**SAGITTARIUS (Nov. 22-Dec. 21).** Trusted friends help you get outside of your own head. You'll talk to people, bounce notions off of them, get their reactions and use that to figure out the

weak and strong points of what you're sharing. CAPRICORN (Dec. 22-Jan. 19).

The people you'll deal with aren't entirely rational. You understand them anyway because neither are you. Also, there's a good chance that the seemingly illogical equation figures out perfectly on deeper levels.

AQUARIUS (Jan. 20-Feb. 18). Physical vicinity invokes different rules. Some prefer text and email because they are afraid of being influenced by a face-toface encounter that is sure to bring more of the real stuff to the table, including empathy.
