*From our kitchen to yours*

Gaetano's is the only Italian market on the North Coast featuring housemade sausages, pastas, sauces, a full deli case of meats and cheeses, European market items, and a collection of Italian wines. We are the perfect place to visit to grab lunch before a hike, a trip to the column, a stroll along the riverwalk, or a beach trip. Our housemade pastas and lasagna are a great way to have an easy home cooked meal after your day exploring the coast.
