

Community Competitions

formally known as Open Class, are part of the annual tradition of Clatsop County fair. While children and youth show their farm animals and 4-H projects, Community Competitions are open to Clatsop County residents of ALL ages to show their talents in art, floral, baking, canning, photography, textiles, hobbies, and horticulture.

Entries compete for ranking and awards. All entries are on display during fair week in the exhibit hall and qualify to win the People's Choice award. Community Competitions are completely volunteer run and uses sponsors for many of its awards/prizes. Stop by their both to cast your vote for People's Choice, ask about sponsoring, or share ideas for next year's competitions.
