13). A spiritual growth spurt will blossom in the realm of creativity and wisdom. You could measure this by the shift in your perspective. Big goals get suddenly more achievable, people more likable, life more enjoyable. You'll knock out five projects and then find yourself in a position to show others how to net similar results. Libra and Gemini adore you. Your lucky numbers are: 39, 2, 20, 11

TAURUS (April 20-May 20). You're brave. Love yourself attempt what you've devoted so much life to. Give yourself credit, and let the confidence

spill over to other areas of life.

GEMINI (May 21-June 21). Is it possible to be extremely moderate? As any jumbo shrimp lover can attest, just because it's an oxymoron doesn't make it a bad idea.

CANCER (June 22-July 22). Gatherings highlight different personality facets. Grouped around a table, you'll learn new things about people you thought you already knew

everything about.

LEO (July 23-Aug. 22). Are you making choices or being manipulated into decisions that don't benefit you? Follow through with a conscious though slightly absurd choice to assert your free will.

VIRGO (Aug. 23-Sept. 22). Your eyes are bright, and you're looking out for yourself and everyone around you as you strive to bring the higher energies of grace, courtesy, attentiveness and wit to this scene.

LIBRA (Sept. 23-Oct. 23). Your politeness knows no bounds, which is why it takes you a minute to realize you're bored with a situation. Don't worry. The slightest shift will produce a radical difference and bring back the excite-
