Nadine L. Secrest Houghton

Astoria

June 26, 1941 — Oct. 9, 2021

Nadine L. Secrest Houghton, retired pharmacist, 80, died Oct. 9, 2021, in Astoria.

Nadine was born in Astoria on June 26, 1941, the daughter of Dennis S. Secrest and Loraine E. Larson. She grew up in Astoria, and attended Fernhill and Knappa elementary schools. Participation in 4-H throughout her childhood was her greatest joy, and deepened her lifelong love of horses. She graduated from Astoria High School in 1959.

She married Ed Houghton. They later divorced.

She graduated from Oregon State University with a degree in pharmacy, and was a member of Lambda Kappa Sigma, an honorary organization for pharmacy students recognized for their scholastic achievements.

Nadine was a pharmacist for 40 years in the Portland area, providing leadership for pharmaceutical organizations while there. She then moved to a pharmacy in Seaside, where she eventually retired. Her customers appreciated her cheerful professionalism.

She took great care and interest in her Arabian horse family of two, with camping trips and trail riding. She talked about her first horse, "Copper," and later, "Chief,"

who had one blue and one brown eye, who lived on the farm while Nadine was still at home in Fernhill, and her last horse, "Rafferty."

Nadine was a founding member of the North Coast Chapter of Oregon Equestrian Trails.

Because of her love for cats, she volunteered her time at the Clatsop animal shelter after retirement.

She is survived by her brother, Dennis D. Secrest, of Albany, and his wife, Joanne; two nephews, Robert Secrest and Brian Secrest and his wife, Kim, and their three sons, Carson, Bennett and Gavin; a favorite aunt, Audrey; and numerous cousins.

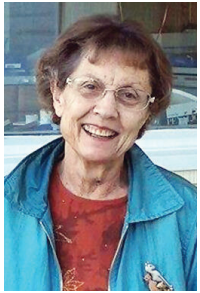

The family is grateful, and offers its heartfelt thanks, to Soosaiappu Croos and his family at St. Anne's Adult Foster Home for Nadine's care and comfort during her illness with Alzheimer's disease.

She will be remembered for her appreciation of family and her love of animals.

Preceding her in death was a brother, Robert Floyd Secrest, and their parents, Dennis and Loraine Secrest.

Memorial contributions can be made to Clatsop Animal Assistance.

A memorial service in celebration of her life will be held at a later date.

William Rodney (Bill) Whitten Sr. passed away on Oct. 12, 2021, at his home at Clatsop Retirement Village, with his wife and children by his side.

He was born April 16, 1935, to William E. and Thelma Whitten, in Astoria. His family lived in the small fishing community of Altoona, Washington. He graduated from Astoria High School.

Bill met his wife of 63 years, Patricia (Pat) Shaw, in Astoria. They married May 29, 1958, and they remained there, living their lives in Astoria.

They all have fond memories of camping trips, hunting and fishing with Bill and Pat.

Bill was a hard-working man who provided well for his family. He taught his children to have a strong work ethic. He was a commercial fisherman both on the Oregon Coast and in the sum-

mers he fished in Alaska. Bill retired in 2007.

He was also a commercial skin diver. He dove for the fishermen, clearing the fishing grounds of snags that could tear their nets or damage their boats. He also dove for the Clatsop County Sheriff's Office, doing search and recovery.

Bill loved the fall, as it is hunting season! He hunted locally with a group of friends and family. He and Pat often traveled to Eastern Oregon with friends to hunt. He passed his love of hunting on to his son and grandchildren.

He and Pat had many RVs over the years. They traveled and spent a lot of summers at the Jewell property, making memories with family and friends.

Donald (Doug) Warren Baldwin

Warrenton

Sept. 14, 1938 — Oct. 2, 2021

Donald (Doug) Warren Baldwin, of Warrenton, died peacefully on Oct. 2, 2021, in Salem, at the age of 83.

Doug is survived by his wife, Sharon Baldwin; children, Von Baldwin, Mistie McDonley and Aaron Baldwin; and many loved grandchildren.

He is preceded in death by his parents and brother, Bill Baldwin.

Doug was born on Sept. 14, 1938, in Astoria, to Warren and Signe Baldwin. He married Sharon See, his high school sweetheart, in 1956.

Doug worked for several years at the Astoria Plywood Mill and the Astoria Golf & Country Club before joining Clatsop Community College as the superintendent of buildings and grounds.

He retired from the college to spend more time in his yard and garden, which blessed many with its abundance. His family remember him as a kind, gentle man who valued his family more than anything else.

Doug was a generous individual who loved babies and children, and who was passionate about helping wherever he was needed.

He was an active and dedicated Christian, and often volunteered at his church building, repairing and landscaping, while making time to discuss important items, such as where the elk were that morning and the pranks he and his co-workers pulled on each other over the years.

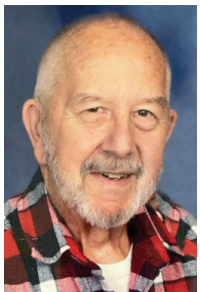

He never lacked for a good story and could always spare the time to reminisce.

No funeral is planned.

Q: My child's baby teeth have cavities. Why should they be filled if they are just going to fall out in a few years?

A: Children's teeth are very important to the health of the child and the development of the dental jaw, and forming permanent teeth. Baby teeth not only give the child chewing function and cute esthetics, but also serve an important role in the formation of the jaw. Premature loss of primary teeth can adversely affect the jaw growth, position and timing of the eruption of permanent teeth, and if badly decayed or infected, be a source of pain, sickness, and risk to other teeth. Please have your dentist evaluate your child's "baby teeth."
