

LAW ENFORCEMENT

OFFICER WIRT

Warrenton Police Department
Officer Wirt is not only a very hard worker, he is compassionate, caring, prompt, and has a great sense of humor. When he's not working he spends his time with his beautiful wife, his handsome sons, and his amazing (now unfortunately retired) K9 Gabe. He's also pretty awesome at karaoke.

JODI LIBERTAD

Clatsop County Sheriff's Office
"My mama is a police officer, so what exactly does she do? She helps keep people safe all around, people just like me and you. Sometimes in the morning and sometimes in the night, my mama goes to work to make sure everything's alright." Deputy Jodi Libertad started her law enforcement career with Cannon Beach Police Department and now works as a Patrol Deputy for Clatsop County Sheriff's Office where she will soon take on a new role as Detective. When she isn't on the job, Deputy Libertad stays busy with three kids, a wife, and a dog.

SGT. TOM PHILLIPS

Sgt Phillips is an amazing law enforcement officer. Him and his K9 Tux keep the county safe and secure morning, noon and nights.
